

# S.M.I.L.E.S Project

(Sending Messages of Inspiration, Love, Empathy, and Support)

Please help us brighten the day of a local Senior citizen. During this difficult time many seniors are unable to leave their homes. We are asking our local community to send them some joy. Please send any art, notes, or messages you would like to share.

There are two ways you can help:

Send your photos of notes, and art to Collen DeGeorge at the Central Office. She will print them and have them delivered [cdegeorge@agawamed.org](mailto:cdegeorge@agawamed.org)

OR

Drop off your art, cards, etc. at the Central Office. There will be an envelope available for contact free drop off.

So get creative and help us make a positive community impact!!!
