This student advisory committee shall consist of five (5) members to be composed of students who are elected by the student body of the high school.

The members of such student advisory committee shall, by majority vote prior to the first day of June in each year, elect a chairperson who shall serve for a term of one (1) year. Said chairperson shall be an ex-officio, nonvoting member of the school committee without the right to attend executive sessions unless such right is granted by the individual school committee. Said chairperson shall be subject to all school committee rules and regulations and shall serve without compensation.

The school committee will take into consideration student opinions when establishing policies that directly affect student programs, activities, privileges, and other areas of student sensitivity. Students will be welcomed at committee meetings and granted privileges of speaking in line with the privileges extended to the general public.
