What's Happening at Granger?

- For \$5, students purchased an extra 30 minute recess for the Sept. incentive
- October incentive is \$12 for kickball and a snack

Granger PBIS Tip of the Month

Effective praise is positive validation of what students are doing right. When used effectively, this strategy can promote positive classroom behavior.

What's new at Granger?

This month we introduced Clifford Coupons that students can purchase from their classroom teachers. The coupons include rewards such as homework passes, sitting in a special chair for the day, or being the library checkout person for the day.

Students are excited for all of the options our PBIS system has to offer.

—	6 or More ODRs
—	2 to 5 ODRs
—	0 to 1 ODRs

ODR = Office Discipline Referral

Granger PBIS Grows

All students in Grades K and 3 bought into the monthly incentive in September, and in grades 1,2, and 4 between 70 - 95% of students participated in the event.

Students throughout the school are earning money everyday for positive and respectful behavior. There is a new excitement at Granger this year!
