### What's Happening at Granger?

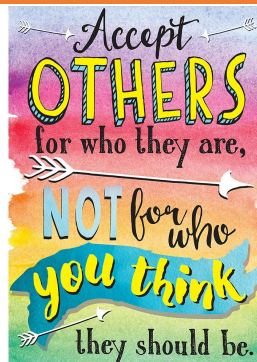

Throughout the month, students will be able to use their Clifford Cash at the School Store, where we have some new prizes, on classroom coupons, or to purchase raffle tickets for the chance of winning some exciting things. Check out the showcase in the lobby to see them all!

### Granger PBIS Tip of the Month

*"You're off to great places! Today is your day! Your mountain is waiting so.... get on your way! ~ Dr. Seuss*

#### What's new at Granger?

While we are still waiting for Mother Nature to drop enough snow for our PBIS winter carnival, we are also planning for a "Spring Carnival" in case that doesn't happen. Either way, students will be outside celebrating the season with activities and games that will be appropriate for whatever weather comes our way

It's all about Respect!

#### Granger PBIS Grows

In comparison to last February, we had less referrals this year than last year. As a school, we are working hard to keep students motivated through our PBIS system by offering a variety of ways for students to spend their earnings. In March, we hope to continue this positive trend and provide multiple incentives as we make our way out of winter and into spring.
