

## **Help Us by Volunteering at James Clark Elementary School**

**Your child will be so proud! Do you want to volunteer at the school? Are you interested in supporting the book fair, field day, PTO, library or other in-school activities?**

**If you are thinking about volunteering you will need to submit your CORI report to the Agawam Public School Department. The process is very easy and only takes a few minutes, but it must be done weeks before an event. To complete this process you will need to visit the Central Office.**

**What is a CORI?** The CORI (Criminal Offender Record Information) reports help protect public safety by allowing employers, school administrators, public housing officials, and others to screen out potentially dangerous ex-offenders. Visit: <http://www.massresources.org/cori.html> for more info.

### **Where to go? Agawam School Superintendent, Central Office**

(413) 821-0551 1305 Springfield St, Feeding Hills, MA 01030 (office is at Junior High School)

Office hours are: 7:30 a.m. – 4:00 p.m., Monday – Friday.

**What to bring?** Your license or MA ID

***The Clark School PTO would be grateful if you could complete this process by Tuesday, October 9<sup>th</sup>.***
