## Ms. Ferraiolo: Science Only

Science - 6th Grade

Supply List - 2019-2020 School Year - Updated May 30th, 2019

Hello everyone! I hope you are enjoying the summer and looking forward to starting a new school year soon! The following supplies are required for a successful year in science. Immediate must haves are the 3 subject notebook and a stapler. We staple everything we do into the 3 subject, so without it, you will not be able to keep track of your papers from class. A small pouch or pencil case will be a great way to keep your supplies with you when you travel to science class from your homeroom.
