

# School Supply List

## Mrs. Campbell- Room 315

Hello! Welcome to Room 315! The list below will tell you what you need to begin the new school year. Remember, you may need to replenish your supplies throughout the year!

- (1) 2 ½ inch 3-ring binder (clear front to slide cover page)
- (1) one inch, 3-ring binder (clear front to slide cover page)
- Highlighters in a few different colors
- Extra fine Sharpies for detail work

There are some items that the school will provide students at the beginning of the year, such as rulers, writing folders, and homework folders, so there is no need to buy these.

There may be additional supplies for special projects required throughout the year; however, a letter will be sent home to inform you when it is time for your student to have them.

See you in September!

Mrs. Campbell
