

Good morning,

This is Mrs. Federico calling from Doering School. I hope you are all staying well by practicing social distancing. I trust you are receiving communication from Superintendent Lemanski. The Agawam Public School website, Doering School website and PTO Facebook pages are being updated and sharing information regularly. As you know, this week has been for setup, coordinating and planning.

Starting Monday, your child should start receiving work opportunities designed to engage your child in enrichment and review. More traditional Doering activities may continue at some point online depending on how long school is closed.

We are all working hard to ensure a continuation of learning and staying connected to your children. Please contact me, counselors or teachers by email should you have questions or concerns.

Thank you and Stay well.

Mrs. Federico
