The Birthday Book Program is an opportunity for you to donate a book to the Robinson Park School Library in your child's name while making your child feel special about books and literacy.

The order form will be sent home with your child near the beginning of their birth month, and a list of available Birthday Books can be found under the Resources section on the Library page. The books are $9.00 each and have a dedication space to write in your child's name. The child's name will also be put in the book's library record, which means they can search by their name to find all the books they have donated to our library.
